STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on May 28, 2019 while exercising my duties as a law
officer in the Judicial District of AZ

Pursuant to 16USC 551: I noticed a red Toyota Corolla west bound toward my location while I was parked on the north side of forest road 45c. I recognized the vehicle from 2 prior contacts I had made with TERRY CUNNINGHAM who had been camping on the forest. During those contacts on 5/19/2019 and 5/24/2019 I had noticed and discussed with CUNNINGHAM the expired registration on the Toyota Corolla. CUNNINGHAM assured me that he had a friend towing the car from location to location and that he wasn't driving the car. As I followed the Corolla, AZ temporary plate PS west bound on Forest Road 45c Navajo County dispatch confirmed that the registration had expired in March of 2019. I turned on my lights and the Corolla came to a stop on the north side of Forest road 45c. As I approached the drivers side of the red Toyota Corolla I recognized the driver of the vehicle to be TERRY CUNNINGHAM. CUNNINGHAM informed me that he was just driving to the end of the road and that he would "walk from there" if that was OK. I informed him that we had discussed the expired registration and that he was not able to drive the Corolla until he was able to get the registration current. I requested CUNNINGHAM'S drivers license and he stated that his license had been "taken" by Pinetop-Lakeside Police Department. I checked the status of CUNNINGHAM'S license through dispatch and they confirmed that his driving privileges had been "revoked". I issued a violation for 36 CFR 261.54D operating a motor vehicle on a level 1 forest road without a drivers license and 36 CFR 261.54D expired registration.

The foregoing statement is based upon:
